

Application for Associate Membership in QuantumWorks

The designation of “Associate Member” has been created to reflect the growing field of quantum information processing, new researchers and industry stakeholders will be brought into the network to foster communication and collaboration in Canada’s research community.

Associate Members in QuantumWorks will have the following privileges:

- ▶ Invited to attend QuantumWorks events, including closed sessions at Annual General Meetings.
- ▶ eligible to request sponsorship of conferences, workshops, etc., subject to existing QuantumWorks regulations
- ▶ access to “Members Only” section of quantumworks.ca website
- ▶ short-listed to become full Members of QuantumWorks, should another round of nominations arise.

Please complete the applicable sections of the form and return by email to Network Manager Sean Collins at collins@iqc.ca

Academic applicants should also attach a CV with the form.
